Terms and Conditions

All Incentives subject to change. No purchase is necessary to participate. Eligibility is based on eligible student's participation in the Daily Pass upload of vaccination status, medical exemption or conditional admission. The opportunity drawing of recipients will be done by random selection. Students will not be able to receive multiple incentives during the program period. All recipients are subject to verification of eligibility. If the student is found ineligible, another name will be randomly selected. Selection will take place every Monday for weekly opportunity drawings and recipients will be notified the following day after verification of status by the Office of COVID Response. All participants must be current Los Angeles Unified students at the time of the opportunity drawing, including students enrolled in the City of Angels Independent Study program. Parents of student recipients will be initially contacted by the Interim Superintendent's Office. All student incentives will be sent to the Community of School office. The District has no liability for any lost or destroyed incentive or any violation of the terms and conditions. Los Angeles Unified will not be responsible for any injuries or losses sustained while students are utilizing the incentive(s). Los Angeles Unified reserves the right to substitute incentives. Incentives are not redeemable for cash. The parent/guardian is responsible for any applicable taxes for incentives in excess of \$600 (six hundred dollars). Incentives are not transferable. Recipients have 30 days to claim incentives. Any declined or unclaimed incentives will be added to a final opportunity drawing at the end of the program period or as deemed appropriate. Incentives include donations to Los Angeles Unified as well as purchases of incentives funded by Elementary and Secondary School Emergency Relief (ESSER III) funds to facilitate the safest possible learning environment. For questions regarding the 2021-22 Safe Steps to Safe Schools Incentive Program, contact the Family Hotline at (213) 443-1300.
